**Total TAMU-SA Core Curriculum Hours**  
43+ hours

*It is recommended you complete the core curriculum at your institution before transferring to TAMU-SA. If you transfer to TAMU-SA without a complete core curriculum, you will need the guidance of an advisor to determine which institution’s core curriculum you should complete and which courses are needed. If you transfer without a complete core, core courses from your institution generally transfer as core with the exception of the institutionally-designated option (90) which may differ from institution to institution.*

**Total Major/Support Hours** 46 hours

**Minimum Hours Required** 120 hours

**Notes:**

1. Students are encouraged to complete both government courses at the same institution. If not, only these two alternative combinations will meet state requirements: GOVT 2301 & 2305 or GOVT 2301 & 2306.
2. Minor – Students must choose a support field, also known as a minor. The minor generally consists of 18 hours (6 courses) in the same field of study. Minor options are Psychology, Criminology, English, History (21 hours), Math, Sociology, Journalism, Reading, Special Education, Biology, Computer Information Systems, Women’s Studies, or Computer Science. Kinesiology, Political Science, and Business are also available as minors but require guidance from an academic advisor as there are specific course requirements. 45 upper-division hours are needed for graduation. Consult with your academic advisor to determine the optimum number of lower-division and upper-division courses within the chosen minor. As this degree typically requires 28 hours of advanced major coursework, it may be advantageous for the student to complete all six of the minor courses at TAMU-SA to attain the 45 ADV hours required for graduation. Additional elective coursework may be needed to reach the 120 total hours required for the degree.
3. Four semesters of foreign language required. Maximum of two languages allowed.
