**Total TAMU-SA Core Curriculum Hours** 43+ hours

*It is recommended you complete the core curriculum at your institution before transferring to TAMU-SA. If you transfer to TAMU-SA without a complete core curriculum, you will need the guidance of an advisor to determine which institution’s core curriculum you should complete and which courses are needed. If you transfer without a complete core, core courses from your institution generally transfer as core with the exception of the institutionally-designated option (90) which may differ from institution to institution.*
