For the Fall 2013 term, Seamless Access to Cengage Learning courseware products through CourseSmart is available in 6 courses within the College of Business.

Overview of Student Experience

1. Click on the link for the eResource within the Blackboard course; only courses with this link have a Seamless Access option through CourseSmart.

2. After clicking on the link from your Blackboard course, a pop-up screen from CourseSmart will explain that you are being redirected to a CengageBrain screen.

3. After being redirected to CengageBrain for the first time, you will see this message “Your code has been validated. Please log in or Create a New Account to continue.”
4. If you have an existing CengageBrain account, please log-in. If you are new to CengageBrain, you will need to create a new account and then log-in.

5. Once you have logged-in to CengageBrain, you will see the eResource on your CengageBrain dashboard. Click on “Open” to begin using the eResource.

6. On all subsequent occasions, you will be able to simply click the link from your Blackboard course and log-in to your CengageBrain dashboard.

Frequently Asked Questions

Q: What do I do if the eResource requires a Course Key, ID, or Code?
A: You should receive the Course Key, ID, or Code directly from your instructor.

Q: What is an eResource?
A: This term refers to the Courseware product made available along with your textbook, for a course. For Seamless Access with CourseSmart, that eResource/Courseware product was developed by Cengage Learning, and includes additional digital resources beyond the textbook such as video, audio, quizzing, and other interactive elements.

Q: Who do I contact if I need help logging in or accessing the eResource?
