Rule Statement

Sponsored agreements establish requirements for accepting funds in support of a specific project or program. The requirements included in these agreements usually specify time periods for expending funds and contain provisions for financial and technical reporting and intellectual property assignments, including patents and copyrights. This rule provides guidance to reduce the likelihood of improperly executed or managed sponsored activities.

Reason for Rule

The Rule is required by System Regulation 15.01.01 Administration of Sponsored Agreements - Research and Other.
