The fastest way to add money to an account is using the guest deposit link. In your internet browser go to the managemyid web page.

To start click on the GUEST DEPOSIT button.
Enter your K number in the text box and click the submit button. NOTE: DO NOT enter the letter K with your k number. The system only recognizes numbers. Enter only the numbers of your K number.
AUXILIARY SERVICES

The next screen will ask you if the name in the screen is the name of the person you wish to deposit money into. Click yes if the name is correct.
