RE: Timely Warning – June 11, 2013

Campus crime alerts and timely warnings to the community comply with the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).

In compliance with the Timely Notice provisions of the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998, the University Police Department is giving notice of bomb threat.

Today, at approximately 11:25 a.m., the University received a phone call from a suspect who claimed to have planted several explosive devices in and around the main campus. Due to the context of the call, it was quickly determined not to be creditable. The UPD conducted a precautionary sweep of the entire Main Campus building and the surrounding area and nothing suspicious was found.

The UPD is currently working with other Law Enforcement entities in the area to attempt to identify the caller.

As a reminder, be attentive to your surroundings and activities that you observe. “See something – say something.”

On campus, if you read, hear, smell, or see anything unusual or become suspicious about something out of place or missing, please contact University Police at (210)784-1900.
