TO: TAMU-SA students, faculty and staff
FM: University Police Department

Campus crime alerts and timely warnings to the community comply with the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).

In compliance with the **Timely Notice** provisions of the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998, the University Police Department is giving notice of suspicious package threat.

Today, at approximately 9:05 a.m., the University Police Department found a suspicious package at the Brooks City-Base Campus with what first appeared to have an improvised explosive device inside. Due to the serious nature of this, it was determined prudent to evacuate the building. The owner of the backpack was later identified and the contents were confirmed as non-threatening.

As a reminder, do not leave backpacks or packages in public areas unattended.

On campus, if you read, hear, smell, or see anything unusual or become suspicious about something out of place or missing, please contact University Police at (210) 784-1900.

Thank you,
