How to Register for Connect via Blackboard using Inclusive Access

Step 1: Log into Blackboard (A).

Step 2: Locate and click on the name of your Blackboard course (B).
Step 3: Under the course menu, locate and click on the content folder (where the Connect assignment(s) reside); in this example click on Content (C).

Step 4: Locate and click on a Connect assignment (D).
Step 5: To register as a new Connect user, locate and click on Register (E).

*If you already have a Connect account, enter your Connect email (username) and password; then, click Sign In.

Step 6: Enter your email address (F) and click Submit.
*We recommend a student use their school email when registering for Connect.

**Step 7: Click Continue (G).**

*By clicking Continue a student will be able to complete their Connect registration using an inclusive offer (as a Connect registration code and/or purchase is not required).
Step 8: Enter in all required information; then, click Complete My Registration (H).
Step 9: Registration and pairing have been completed. Click on go to Connect in order to launch into your Connect assignment (I).
