

Need help accessing Blackboard?

Accessing Blackboard

Through Jagwire

1. Go to Jagwire:
<https://jagwire.tamusa.edu/>
2. Login with your jaguar account credentials
3. Click Blackboard (Located on the left hand side under the JAGWIRE logo)

Directly through Blackboard

1. Go to Blackboard:
<https://tamusa.blackboard.com>
2. Login with your jaguar account credentials

Using Blackboard:

We have a number of Instructor and Student tutorials to help you as you use Blackboard Learn. To view these tutorials, please visit the following pages

[Student Blackboard Help](#)

Unlocking Blackboard

Be Patient

If you have time you can simply wait 15 minutes for your blackboard account to unlock

NOTE: If you attempt to log in during the 15 minute period of being locked, your time will restart and possibly extend.

Testing

If you are taking a test and need to have your Blackboard account unlocked immediately then please contact the helpdesk at 2107844357

Access Blackboard while locked

Jaguar
