SUBJECT: Approval of FY22 Student Fees

I have carefully reviewed the recommendations from the Student Fee Advisory Committee for FY22 student fees. The proposed fees are in accordance with Texas Education Code Sections 54.503, 54.539 and 54.52971 and are in alignment with our Strategic Plan; therefore, I approve the allocation of these fees.

### **Highlights of the Committee's transparent process include:**

- Established in November 2020, the Committee conducted work over the course of three months from January-March 2021.
- All units funded with the Student Service Fee—including Athletics, Recreational Sports and departments within the Division of Student Success and Engagement—were invited to present how FY21 based funding was utilized and to present their requests for new funding; how new funding would assist within the program, services and activities for students; how it would support the University's Strategic Plan; and how it would impact retention/graduation.
- The Committee carefully considered each funding request for FY22.
- Final recommendations were the result of a majority vote and reflected the Committee's commitment to keep the best interest of Texas A&M University-students at the forefront.

### **ONE-TIME STUDENT SERVICE FEE FUNDING REQUEST**

For FY22 the committee did not approve any one-time request or leave any funds unappropriated from Student Service Fees.

One of our core Strategic values is being student centered, and the Student Fees Advisory embodied this with its membership comprised entirely of student representatives from Athletics, SGA, student organizations and recreational sports, with Dr. Mari Fuentes-Martin, Kathryn Funk-Baxter, Darnell Smith and Arthur Oague serving as advisors.

I commend the hard work and efforts of the nine-member Student Fee Advisory Committee, chaired by student Sydney Vanderlinden, for its final recommendations on structuring student fees for FY22. These fees will move the University forward as it launches inaugural athletics this fall.

With appreciation for your shared governance.
