Summer Semester Recap

Cohort 5 TU CASA students have been working on their retailing course this summer and have officially completed their class. The students have earned their retailing digital badge credential from Education Associates.

Internships

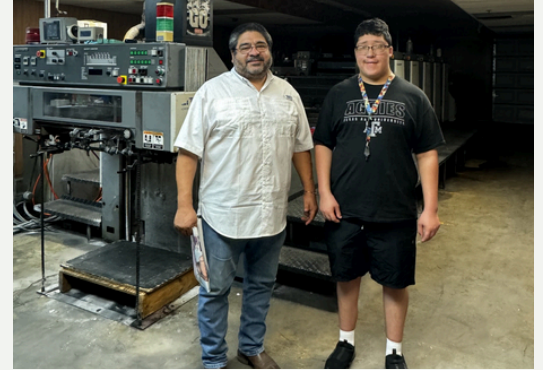

INTERNSHIP PREPARATIONS

As we prepare for the Fall semester, the students have begun to visit their individual internship sites.

Michael, who is part of our cohort 5, enjoyed touring South Texas Press for his Fall semester internship.

Maddeline was able to job shadow at Inspiration Hills Rehabilitation Center.

Hannah will be at Crescendo Center which focuses on music therapy.

Family Engagement

We love an end of semester de-stress activity, and what better way to celebrate than to have a family engagement art workshop.

Professor Highlight

Thank you, Professor Rodriguez, for teaching Interpersonal Skills to our C5 students this summer. It was a great start to their college journey.
