# Community Involvement

TU CASA students participated in the 2025 DSASTX Education Conference, where our PIs led a session on "Desarrollando en TU CASA: Year 4 Program Update." It was a memorable and impactful experience for all involved.

# Campus Involvement

TU CASA students recently toured the new Rec Center, exploring its state-of-the-art fitness equipment, basketball courts, and more. It was a fantastic experience, and we look forward to seeing more students enjoy these excellent amenities.
