Access to Good Jobs for All

National Disability Employment Awareness Month

Maddy is expertly balancing two fantastic opportunities! As a skills trainer for Care Warriors, she's making an impact while also interning at the Salvation Army San Antonio offices, where she'll assist with various office duties. We couldn't be more excited for her!

Alumni Highlight

We're excited to announce that Serene who was part of our 3rd cohort has officially moved into her first apartment! In addition, she has started her full-time position as a housekeeper at a senior living community

Our talented students, Jeremiah Ortiz and Jairo Barragan-Jimenez, are gaining valuable experience in hospitality while contributing to our community.

IHG is committed to providing high-quality accommodations for military and government travelers, and our students are helping to uphold this mission. Stay tuned for more updates, and thank you for supporting the next generation of hospitality leaders!
