How to Access Digication e-Portfolio Tool

Overview

This document will show you how to access the Digication e-Portfolio Tool. There are two main ways you can access Digication.
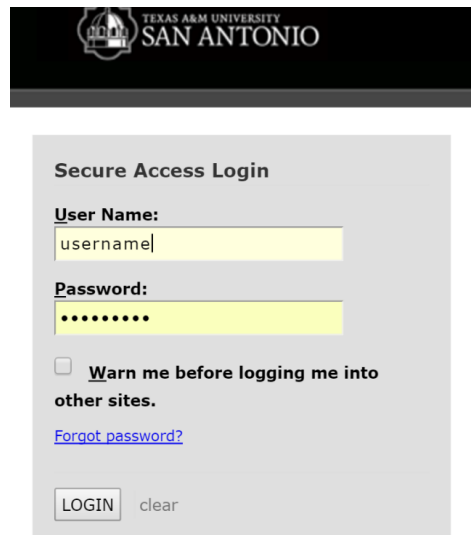

Accessing Digication via JagWire

The main way to access Digication is through JagWire.

1. Navigate to our JagWire Portal by going to jagwire.tamusa.edu.
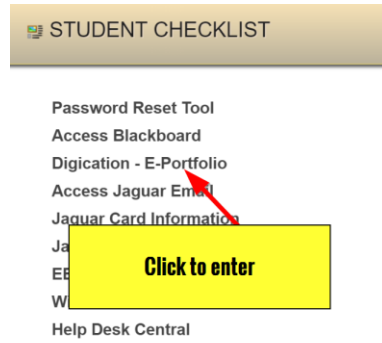

2. Login using your credentials.

3. Once logged into JagWire, Faculty should click the 'Faculty' tab while Students should click the 'Services' tab.
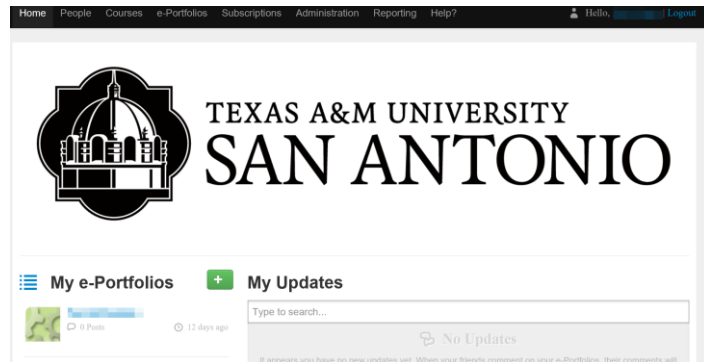

4. Faculty can find their link to Digication under the 'Faculty Services' box.

5. Student can find their link to Digication under the 'Student Checklist' box.

Accessing Digication via Blackboard

One way to access Digication is through Blackboard. Please note: this method only works if your instructor has enabled Digication.

1. While in your Blackboard course, look for the Digication Tool Link in the left-hand menu on your course's homepage. Once you find the link, click it.

Click the link to Digication in your course
