March 20, 2020

Dear Future Jaguar,

As an incoming member of the Jaguar Family, I wanted to reach out to you today to share some important updates about how we are responding to the Coronavirus (COVID-19) pandemic.

- Texas A&M University – San Antonio continues to take a proactive approach to providing a safe environment for everyone in the Jaguar family and we are closely monitoring this ongoing situation. The most up-to-date information can be found at tamusa.edu/coronavirus.
- While current students will be completing their courses online for the rest of the Spring semester, our admissions and financial aid teams are here for you! Our offices remain open and will continue to provide you with the service, support and guidance as you prepare for Fall 2020.
- In the coming weeks, our admissions counselors will be reaching out to you directly. In the meantime, if you have specific questions about your admissions status or your financial aid award, please email us at BeAJaguar@tamusa.edu or call the Welcome Center at 210-784-1300.

On behalf of the entire A&M-San Antonio community, I look forward to welcoming you to campus this Fall. Stay well!

Sincerely,
