COVID-19 Procedures

Protocol and Certification for Campus Visitors

Purpose

Texas A&M University San Antonio (Texas A&M-SA), seeks to preserve the safety and well-being of all students, employees, and visitors at its properties and facilities. In an effort to reduce the spread of the coronavirus disease (COVID-19) and to protect each workplace, the University has developed the following protocol for all properties and facilities it owns or otherwise controls consistent with recommendations from the Centers for Disease Control and Prevention and guidance provided by the Governor of Texas.

Before coming to the Campus

You should not visit the Texas A&M-SA Campus until:

- You have reviewed the “Safe Practices for Visiting Texas A&M-SA Campus During the COVID-19 Pandemic”; and
- You review and acknowledge this Protocol and Certification.

You may not visit the Texas A&M-SA Campus if you:

- Have a diagnosis or suspected case of coronavirus;
- Are currently exhibiting symptoms associated with COVID-19 as they are listed on the CDC “[Symptoms of Coronavirus](#)” webpage;
- Have had close (less than six feet) contact in the past 14 days with anyone that has a lab-confirmed case of COVID-19; and
- In the last 14 days have returned from travel or traveled through an area with state or local travel restrictions that mandate quarantine upon arrival home.

Continuing Daily Self-Assessments

If you are scheduled to be on campus multiple days, you must conduct a self-assessment before coming to campus to determine if you are exhibiting any signs or symptoms of, or exposure to, COVID-19 as they are listed on the CDC “[Symptoms of Coronavirus](#)” webpage.

Do not come to Texas A&M-SA Campus if you:

- have a diagnosis or suspected case of coronavirus;
- if you are currently experiencing any coronavirus symptoms listed [here](#) ;
- have had close contact in the past 14 days with a person who is lab-confirmed to have COVID-19; or
- In the last 14 days have returned from travel or traveled through an area with state or local travel restrictions that mandate quarantine upon arrival home.

If you have had any of the above signs, symptoms, or potential exposure to COVID-19, inform your Texas A&M-SA contact as soon as reasonably possible. Each time you come to Texas A&M-SA Campus, your presence signifies that you have conducted a daily self-assessment and that you are not exhibiting any of the above signs or symptoms of, or exposure to, COVID-19.

Verification

I understand, acknowledge and agree to the following:

- I have read and understood the protocol above;
- I will conduct daily self-assessments for the above signs and symptoms of, and exposure to, COVID-19;
- I will not come to Texas A&M-SA Campus if I have exhibited any of the above symptoms or exposure, but will instead notify my Texas A&M-SA contact;
- I will follow the health and safety protocols on the Texas A&M-SA Campus, as provided in the “Safe Practices for Visiting the Texas A&M Campus During the COVID-19 Pandemic” training;
- I understand that members of my workplace, campus community, health department officials, and the Centers for Disease Control and Prevention are relying on the truth and accuracy of my responses; and
- I understand that my failure to follow one or more items in this Verification will lead to me being asked to leave campus.

This Protocol is effective May 18, 2020.
