Dear Jaguar Students,

I am pleased to announce the Texas A&M University-San Antonio will assume ownership of student housing at Esperanza Hall later this spring. This will allow us to be more responsive to student needs and still maintain our outstanding service for Esperanza Hall residents. American Campus Communities (ACC) will continue to manage Esperanza Hall, along with all existing and future leases.

The previous private-public partnership served us well, but the opportunity to acquire Esperanza Hall with support from the Texas A&M System provides Texas A&M University-San Antonio and our student's better options for residents in the future. The savings resulting from University ownership will allow us to perform renovations, updates, and improvements in housing facilities.

Leasing information for Esperanza Hall can be found online at the [Esperanza Hall website](#). Students may contact Esperanza Hall via email at [EsperanzaHall@americancampus.com](mailto:EsperanzaHall@americancampus.com) or via phone at 210.784.1717 with any questions.
