---

**Student ID#**

Aid received at another institution may affect financial aid eligibility at Texas A&M University-San Antonio. Students that have received a financial aid award(s) at another institution may be placed on Transfer Monitoring. Prior to the disbursements of federal financial aid, the Office of Student Financial Aid & Scholarships must review each student's financial aid history on the National Student Loan Data System (NSLDS) to determine eligibility for financial aid. We've been informed via NSLDS that you may have received or are scheduled to receive financial aid this past or current semester and therefore you must complete the following requirement.
