Independent – Federal Verification Worksheet (v1)

(Student ID (K or J#))

Your application was selected by the **U.S. Department of Education** for review in a process called *Verification*. In this process, we will be comparing information from your Free Application for Federal Student Aid (FAFSA) with copies of your and your parents'/stepparents' 2019 tax return transcripts and/or other financial documents. **The law states you must complete this process before federal financial aid may be paid.** If discrepancies are found in the review, our office will send electronic corrections to the FAFSA processor on your behalf.

It is recommended that applicants complete and submit this application and all required documents prior to the state priority deadline date of **January 15, 2021.**
