Click on Register as a Cardholder

A screenshot of the CitiManager login page. The page has a white header with the Citi logo and "CitiManager" text. Below the header is a dark blue navigation bar with "Apply for a Card Today >" and "Need Assistance?". The main content area is white and features a promotional banner for the CitiManager app, a Citi commercial card image, and a login form. The login form includes fields for "User ID" and "Password", a "Remember User ID" checkbox, and a "Sign On" button. Below the "Sign On" button are three links: "Forgot User ID / Password?", "Register as a Cardholder", and "Register as a Non-Cardholder". An orange arrow points to the "Register as a Cardholder" link.

Register for Online Access

Enter your card number and the security number

The screenshot shows the CitiManager interface for registering for online access. At the top left is the Citi logo and the text 'CitiManager'. The main heading is 'Register for Online Access' with a sub-instruction: 'Enter the credit card number and security code (CVV) on your new card to get started.' There are two input fields: 'Credit Card Number' with a red border and a red error message 'Please enter your credit card number' below it, and 'Security Code (CVV)' with a blue border. At the bottom are 'Continue' and 'Cancel' buttons. To the right is an illustration of two credit cards.

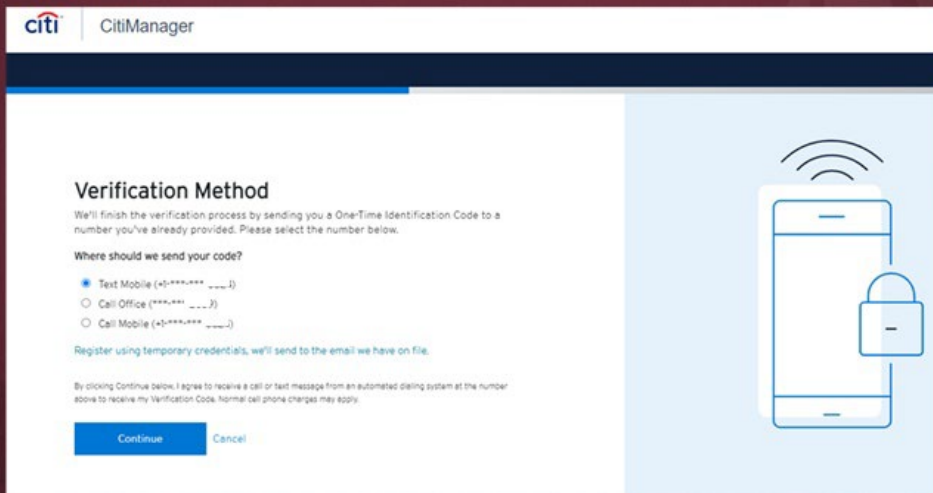

Verification of UIN

Enter your 9 digit TAMUSA UIN

The screenshot shows the CitiManager interface for UIN verification. At the top left is the Citi logo and the text 'CitiManager'. The main heading is 'Welcome,'. Below it is the instruction: 'To help us protect your account, we'll need to verify your identity.' The input field is labeled 'Last 4 digits of SSN -OR- Employee ID' and contains a masked value '*****'. At the bottom are 'Continue' and 'Cancel' buttons. To the right is an illustration of a person's head and shoulders next to a card with a masked number 'XXXXXXXXXX'.

Text Authentication

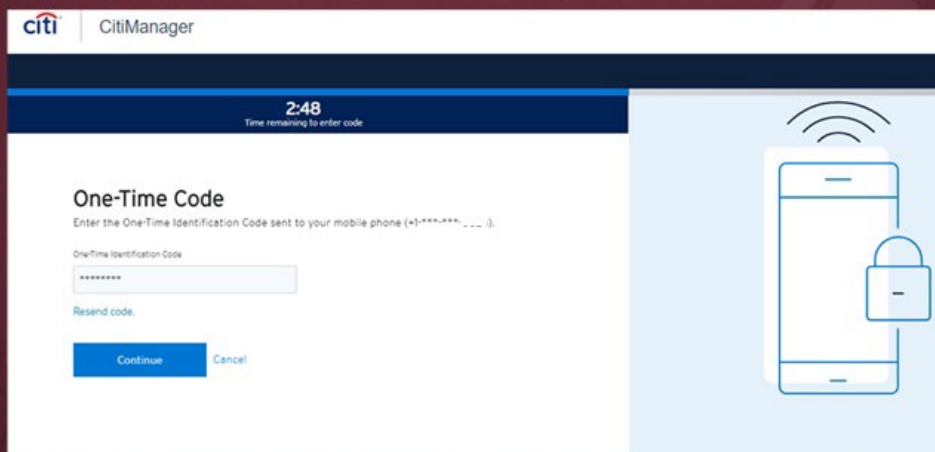

Choose the Text Mobile authentication option

The screenshot shows the CitiManager interface for selecting a verification method. The header includes the Citi logo and 'CitiManager'. The main content area is titled 'Verification Method' and contains the following text: 'We'll finish the verification process by sending you a One-Time Identification Code to a number you've already provided. Please select the number below.' Below this, there are three radio button options: 'Text Mobile (+1-***-***-****)', 'Call Office (***-***-****)', and 'Call Mobile (+1-***-***-****)'. The 'Text Mobile' option is selected. A note states: 'Register using temporary credentials, we'll send to the email we have on file.' At the bottom, there are 'Continue' and 'Cancel' buttons. To the right of the text is an illustration of a smartphone with a padlock icon, indicating mobile authentication.

Verification Code

Enter the One-Time Identification code sent to your phone

The screenshot shows the CitiManager interface for entering a one-time code. The header includes the Citi logo and 'CitiManager'. A dark blue bar at the top displays a timer: '2:48' with the text 'Time remaining to enter code' below it. The main content area is titled 'One-Time Code' and contains the text: 'Enter the One-Time Identification Code sent to your mobile phone (+1-***-***-****)'. Below this is a text input field for the 'One-Time Identification Code' containing seven asterisks. A 'Resend code.' link is positioned below the input field. At the bottom, there are 'Continue' and 'Cancel' buttons. To the right of the text is an illustration of a smartphone with a padlock icon, indicating mobile authentication.
