

Services & Materials Price List

Innovation Lab, Texas A&M University-San Antonio Library

About

- **Address:** First floor, University Library, Business Library Hall, Texas A&M University- San Antonio. One University Way, San Antonio, Texas 78224
- **Contact: Phone:** (210) 784-1548. **Email:** LibraryInnovationLab@tamusa.edu
- **Website:** <https://libguides.tamusa.edu/LibraryInnovationLab>
- **Hours:** 9:00 am-12:00 noon, 1:00 pm-5:00 pm, Monday-Friday
- At this time, services are available for **university students, faculty, and staff** only.

General Pricing Notes

- Pricing examples are not the only options but are provided as a guide.
- Individuals submitting projects are subject to sales tax charges. The prices listed do not include sales tax.
- University departments, units, and student organizations may choose to pay for projects through a departmental/organizational chargeback. Such payments will be tax-exempt.
- Individuals (not using a departmental or organizational chargeback) must pay with a credit card through the Transact e-market store.
- Innovation Lab staff will work with patrons to avoid failed projects. Lab staff retain the right to refuse projects that are likely to fail or put extra strain on the equipment or employees. Reprints or subsequent attempts of projects will require payment, unless the error is the Innovation Lab's fault.

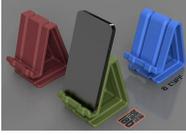

Large Format Printing

Service/Material	Width	Price/ Linear Foot	Pricing Examples (before tax)
Presentation Matte Paper (Narrow)	24" (2 ft.)	\$3.25	24" x 36" popular poster = \$10.00 (rounded up)
Presentation Matte Paper (Medium)	36" (3 ft.)	\$5.00	24" x 36" popular poster = \$10.00 36" x 48" conference poster = \$20.00
Presentation Matte Paper (Wide)	42" (3.5 ft.)	\$6.50	27" x 40" movie poster = \$15.00 (rounded up)
Premium Glossy 250 Paper (Narrow)	24" (2 ft.)	\$4.50	24" x 36" popular poster = \$14.00 (rounded up)
Premium Glossy 250 Paper (Med.)	36" (3 ft.)	\$7.00	24" x 36" popular poster = \$14.00 36" x 48" conference poster = \$28.00
Premium Glossy 250 Paper (Wide)	42" (3.5 ft.)	\$8.00	27" x 40" movie poster = \$18.00
Photo Paper Pro Luster (Wide)	42" (3.5 ft.)	\$8.50	24" x 36" popular poster = \$17.00 36" x 48" conference poster = \$34.00

Important Project Size Information: The minimum width/length for large format print projects to be accepted will be **18"**. The maximum paper roll width is **42"** (3.5 feet), meaning that only one dimension of any submitted project can exceed that measure. There will always be some white framing when a design is printed.

Large Format Printer Notes: Print jobs will normally be completed in the order in which they have been received. Depending on staff availability, most jobs will be ready within 3 business days, but this cannot be guaranteed. A priority rush queue is available for an extra \$15.00 fee to accommodate pressing circumstances. Innovation Lab staff will estimate a project completion time before accepting any rush fee payment.

3D Printing

Service/ Material	Minimum Price, g = grams	Pricing Above Min.	Pricing Examples (before tax)	Sample Prints with Weights	Notes
Standard PLA Prints	\$3.00	\$0.10/gram	≤ 30 g = \$3.00		Bag Clip Model by Ainon3Dtisk 23 g/clip = \$3.00/clip
			50 g = \$5.00		Anatomically Correct Heart Model by SF3DPrints 41 g = \$4.10
			100 g = \$10.00		Smartphone Stand Model by BasementLAB 90 g/stand = \$9.00/stand
Multicolor Prints	\$4.20 (30 g)	\$0.14/gram	≤ 30 g = \$4.20		Multicolored Articulated Axolotl Remixed model by PrintBrothers3D 20.35 g = \$4.20
			50 g = \$7.00		Multicolored Mexican Redknee Tarantula Model by Printyjay 92 g = \$12.88
PLA Pro Prints	\$4.20 (30 g)	\$0.14/gram	≤ 30 g = \$4.20 50 g = \$7.00		Updated 12-hole Ocarina Playable Instrument Model by RobSoundtrack 101.65 g at 100% infill = \$14.23

3D Printing Notes: Projects will be run at a standard 0.4 mm setting and speed unless a special request is submitted. Projects are expected to have 15-20% infill percentages; those with higher percentages will weigh and cost more. Projects estimated to take 8 hours or longer to print will require a staff consultation and will be charged an extra \$5.00 fee in addition to the filament weight cost.

Laser Cutting/Engraving

Material/Service	Measurements	Price (before taxes)
Machine Time	30 minutes minimum, then pricing based on 15-minute increments	\$3.00 ≤ 30 minutes \$1.50/15 minutes after min.
Materials		
Wood (1/8" thick)	8" x 12"	\$2.00
	12" x 12"	\$3.00
	12" x 20"	\$3.50
Wood (1/4" thick)	12" x 12"	\$3.50
White/Clear Acrylic (1/8" thick)	12" x 12"	\$6.25
	12" x 20"	\$10.50
Colored Acrylic (1/8" thick)	12" x 12"	\$6.25
Leather	TBD	TBD
Example Project Cost	A "12 x 12" clear acrylic cut that takes one hour (60 minutes)	\$6.25 material + \$6.00 machine time = \$12.25 before tax

Laser Cutter/Engraver Notes: Students, faculty, and staff may bring their own materials for cutting/engraving, but these must be approved by Innovation Lab staff before use. The minimum charge for any project is \$3.00 for machine time. After the 30-minute minimum has been reached, charges will be assessed at \$1.50 per 15-minute increments. Total costs for laser cutter/engraver projects will be the machine time plus the materials price.

Button Maker

- Materials for making 2.25" (58 mm) diameter plastic buttons are available for purchase. Students, faculty, and staff can purchase a bag with supplies to make 10 buttons for \$1.00 (before tax).
- Supplies to make more than 10 buttons can be purchased in \$0.50 increments (enough to make 5 buttons). Button-making materials will not be sold for single buttons. For example, a student who wants to make 12 buttons would buy one \$1.00 bag and one \$0.50 bag of supplies, for a total charge of \$1.50 before tax.

Lamination

Material Size	Price (before taxes)
8.5" x 11" document	\$3.00
8.5" x 14" document	\$3.00
11" x 17" document	\$5.00
Other (maximum is 23" wide)	TBD
